PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Record Blues Haul By Canal Point Men

Ray Hawk and Capt. John S. Harrington, (home on leave) set some sort of a record over the week end when they caught 60 bluefish and two triple tails. The blues caught weighed 181 pounds. One of the triple tails weighed 22 pounds and the other one 10 pounds. The catch was made at Salerno.

It isn't anything unusual for a group of fishermen to make rather good hauls in that neighborhood, but, these two chaps came home with an unusual story. Unusual stories aren't unusual when unusual fishermen are out seeking to outwit members of the piscatorial tribe.

After their boat was loaded down with the blues and the 22 pound triple tail the boys were returning to camp when they noticed a cork bobbing on the surface. Every time they tried to pick up the cork it went under—until the third trial—Capt. Harrington grabbed it. When he pulled it in—yep, you guessed it—there was the 10 pound triple tail.

Traffic Cases On Court Agenda

A total of 64 cases—the majority of them traffic cases—were handled in criminal court plea day proceedings Tuesday before Judge C. E. Chillingworth.

J. Louie Carter, clerk of the criminal court said of the total cases, 37 of them were for traffic violations involving such charges as reckless driving, driving without license, driving while intoxicated and one for driving without proper brakes.

Most severe sentence of the day was meted out to Raymond Waters, who received a year in state prison for a prison break. A year in the county jail was handed down to Jessie L. McDaniels, on conviction of breaking and entering.

Carter said a number of the cases were either deferred or set for trial in the July term of court.

Circle Gives Cash To Pahokee Hospital

A contribution to the Everglades Memorial Hospital in the form of a check for \$42.83 from the disbanded Poinsettia Garden Circle has been announced by Harold E. Wetzel, hospital administrator.

The presentation was made by Mrs. Jess M. Elliott, president of the circle before it was disbanded last year and members joined the Hibiscus Garden Circle. The circle had promised financial assistance to the hospital before the move was made to disband and the fund donated will be used toward the erection of modern clothes drying lines at the rear of the hospital grounds.

UNDERGOES OPERATION

Mrs. William D. Howard underwent major surgery in an emergency operation at Good Samaritan Hospital, West Palm Beach, Sunday morning. She was accompanied to the hospital by her sister, Mrs. Roy Secree, of Indian town. Her condition is improved.

Al Beverly Will Operate Business

A. D. (Al) Beverly, who has been associated with his brother, Max, in the vegetable brokerage firm of Max E. Beverly, Inc., for many years at the Canal Point packing center, has sold his interest in the firm to his brother, Max, and is establishing his own vegetable brokerage business, according to an announcement in the June 20th issue of the Packer.

He will have his permanent headquarters at the Pahokee State Farmers Market starting with the opening of the Glades bean deal next fall but at the present time he is at his branch office in Mountain City, Tenn. With the close of the bean deal at Mountain City in September he plans to operate at Charleston, S. C., for a few weeks before returning to Pahokee.

Funeral Services Belle Glade Girl

Funeral services for Donna Sue Mathews, 14-year-old Belle Glade High School student, were held at the Church of Christ in Belle Glade Tuesday afternoon, with the Rev. J. H. Lynn, pastor, officiating.

Donna Sue died at St. Mary's Hospital, West Palm Beach, Sunday afternoon following a long illness. She came with her parents, Mr. and Mrs. H. M. Mathews, to Belle Glade from Hamburg, Ark., in 1941. In addition to the parents, she is survived by a sister, Wanda, also of Belle Glade.

Burial was at the Fort Mayaca Cemetery, Berry's Funeral Home was in charge of arrangements.

Nazarene Church Has New Pastor

The Rev. Kenneth Price, 27, of Avon Park has been appointed new pastor of the Church of the Nazarene in Pahokee to fill the vacancy left by the resignation of the Rev. James B. Tripp who moved recently with his family to Orlando.

The Rev. Price, who was educated for the ministry at Bethany Central College, Bethany, Okla., came to Florida in 1947 and has served as pastor at churches in Fort Myers and Lake Wales. He and his wife and two children plan to move into the Nazarene parsonage on Bacom Point Road in the near future.

Edwin Stuart Held Boys State Office

TALLAHASSEE—Edwin Stuart of Canal Point has been elected Representative in the legislature of the 1953 Florida Boys' State sponsored by the American Legion A. Cention on the large sign which is to contain the names of all local civic groups with their meeting places and dates, the sign to be erected on East Main Street just inside the city limits.

It was voted to give the cooking range owned by the club to a needy organization. It was also voted to sponsor a local publicity program which will return to the club 10 per cent of the gross receipts.

Installation Held For Legion Group

New officers of the American Legion Posts and their Auxiliaries of Canal Point, Pahokee, Belle Glade, South Bay and Clewiston were installed at a mass meeting of Legionnaires of the Glades area and their wives in the Pahokee Legion Hall Monday night, with the district commander and his installing team and the district auxiliary president and her officers in charge of the installation ceremony.

The installation was preceded by a supper in the Legion Hall from 7 to 8 o'clock. The Pahokee Fred and Percy Mansfield Post 90 and the Post 90 Auxiliary acted as host.

At a brief business meeting Post 90 voted to install two flood lights to light up the car parking area at the rear of the grounds. It was announced Post 90's new commander, Melvin Spooner, will present an outline of the activities program for the new year to members for approval at the next meeting.

FIREWORKS FOR FOURTH

Fourth of July fireworks to be held at 8:00 p. m. off the pier in Pahokee. Will be under the direction of Milton Carpenter.

Pahokee Lions To Work 6 Projects

Recommendations by the board of directors of the Pahokee Lions Club of projects to be sponsored by the club during the coming year were accepted by club members at the Tuesday luncheon meeting.

The projects approved, which were outlined at the meeting by President Curtis Chase, were: 1. To participate in the annual PTA Halloween Carnival for Pahokee children by sponsoring a booth at the carnival; 2. To sponsor a broom and mop sale to raise funds for the benefit of sight conservation; 3. To sponsor two benefit football games between Negro teams to be played on Lair Field this fall; 4. To act as hosts at the annual Lions Christmas party for the White children of the community and assist any Negro organization or group of Negro business men stage a similar party for the Negro children of the community; 5. To serve as co-sponsor in the annual football clinic for high school teams of the Glades area; 6. To serve as co-sponsor with the Belle Glade Lions Club in the annual banquet for the Pahokee and Belle Glade High School football squads and their cheerleaders.

President Chase appointed Clyde A. Cention to work with Perry Duke on the large sign which is to contain the names of all local civic groups with their meeting places and dates, the sign to be erected on East Main Street just inside the city limits.

It was voted to give the cooking range owned by the club to a needy organization. It was also voted to sponsor a local publicity program which will return to the club 10 per cent of the gross receipts.

Sportsmen Organize Rod And Gun Club

Sportsmen of the Glades area interested in joining a Rod and Gun Club are invited to attend an open meeting in the Pahokee city hall Friday, July 3, at 1:30 p. m. when plans for organizing the club will be continued.

The first steps in the organization of the club were taken at a recent open meeting and fish fry in the city park with D. Ste. Clair, State information and education officer for the Game and Freshwater Fish Commission present to explain the purpose and advantages of the new club, membership of which is open to both men and women. Wildlife Officer Herb Worth presided at the meeting and C. E. Williams was named chairman of the committee in charge of organization procedure.

Motel Work Starts On Poland Ridge

Don Hillier, Pahokee contractor has started the foundation work on his new motel and snack bar in the Poland Ridge residential section of Pahokee on US 441.

The new motel will contain 24 units, each unit to be of modern concrete-block construction and completely air conditioned. It is located on four 50-foot lots 240 feet deep and it is estimated will cost over \$60,000.

Last week a group of Poland Ridge residents petitioned the City Council to prevent Hillier from building his motel in the residential area, but the Council ruled Hillier was acting fully within his rights and upon the recommendation of the Citizens Zoning Board of Appeals, the petition was rejected.

Frances Wilson Is Mayor In Girl's State

A Canal Point girl, Frances Wilson has been elected as Mayor in the city elections during the 1953 Girls State at Florida State University, sponsored annually by the American Legion Auxiliary, Department of Florida, and financed with the assistance of various civic organizations.

The election of Frances by her fellow citizens of Girls State of Seminole indicates that she has shown the necessary ability and knowledge of the requirements of her office to make her a leader in her city.

In her newly elected position, the Mayor of the city of Osceola, State of Seminole, will have an important part in the operation and management of the city, helping to carry out the State program of "Learning by Doing" in conducting their own state government of a city, county, and state level.

Legion Will Sponsor July Fourth Dance

The American Legion will sponsor a dance at the Legion hall Saturday night, July 4. Music will be furnished by Arthur Bruin's orchestra. Dancing will start at nine and continue until one.

Bank Of Pahokee In Healthy Condition

Bank of Pahokee deposits June 30 were more than \$145,000 higher than a year ago, according to a statement of condition called for by C. M. Gay, state comptroller. Deposits this week were: \$5,656,946.12 compared with \$5,508,127.90 on June 30, 1952.

Through the years the Bank of Pahokee has maintained a steady and healthy growth, weathering every financial storm since its founding in 1922. Today it is the oldest bank in continuous operation in Palm Beach county having come through the 1925-26 Florida boom and bust with flying colors.

The recent statement shows that loans are up a little over a year ago. In June 1952 loans and discounts were: \$1,151,808.82 and on June 30 this year they were: \$1,215,789.12. Cash on hand totals \$1,897,811.54 and undivided profits total \$51,721.54.

Officers of the bank are: H. M. McIntosh, president; Rupert Mock, vice president; John A. Elbon, vice president; E. F. McIlwain, cashier and Julius T. Moon, assistant cashier.

Directors of the bank are: Robert L. Earnest, Rupert Mock, E. F. McIlwain, Lewis Friend, H. M. McIntosh and John A. Elbon.

City Buys Truck For Street Dept.

The Pahokee City Council at a special meeting Friday night accepted Stanley Chevrolet Company's bid of \$2,533 on the purchase of a new two-ton truck for the city street department.

Prior to the meeting the Citizens Zoning Board of Appeals was in session in the council chamber to consider the petition of residents of the Poland Ridge residential section protesting against the new motel and restaurant which Don Hillier, local contractor plans to build on his Poland Ridge property. The board ruled that since the city has already granted a permit for the construction of the motel, it had no jurisdiction in the case. The board recommended to the Council that it reject the petition and the Council complied with its recommendation.

Dan's Restaurant Gets New Paint

Dan's Restaurant in Pahokee is all shined up with a new coat of paint on the inside and a lot of brand new formica topped tables. The tables are a brilliant red and lend attractiveness to the popular eating spot. The cafe will be further decorated with new venetian blinds when they arrive soon. The coat of paint on the interior freshened the cafe's looks. Dan Morris, proprietor, says that business is holding up well for the summer months.

BRIDGE LUNCHEON

Mrs. George Arceneaux entertained with a bridge luncheon at her home 1007 East Main on Thursday of last week. Three tables of bridge were in play and prizes were won by Mrs. Charlotte Walston, high score, and Mrs. Oscar Chastain, second high.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Meet a dashing leading man who is dying for wrinkles and breaks out in a smile each day that he gets older. He's Robert Ryan, and, if you ask me, I'd say he's a bit tetchy. The actor, master of a hundred celluloid heroics, claims as far as he's concerned a dozen leading man assignments aren't worth a single film opportunity in a gummy character role. "I'll take the character stuff every time," he insists. "I'd rather play a psychological. (I looked this one up in the book) whatsit than end up with five of Hollywood's loveliest dolls in my arms at the fadeout. (Now I'm sure there's a hole in this gent's top.) The actor, whose last birthday cake sported 38 candles, figures he's strictly the rough-and-rugged type. He's 6 feet 4 and almost 200 pounds. The outdoor life he led before becoming an actor is plainly etched on his face—the stern lines of great physical exertion, identifying marks of combat in the days he was a boxer and the squint-lines of long hours under the sun. Like Jack London, Ryan embodies the urge for artistic expression and the brawn of days lived adventurously. "I guess you might say I've knocked around a bit," Bob says. This knockabout livelihood is what convinced Ryan that character parts are more along his line. "I just think of the life I've lived," explained Bob, "and I just can't see myself as a boulevard baron." See you at the movies—Mal.

The chemistry department of Florida Southern College recently announced the addition of special courses in phosphate to the curriculum. FSC's location in the heart of the phosphate belt, which produces three-fourths of the nation's phosphate, was a factor in the addition of the course.

Race Tax Money Has Many Uses

HALEAH — The money that Florida's 67 counties receive from racing is put to wise and effective use. This is emphasized again by a check of "local bills" passed at the recent state legislature specifying the uses in 12 different counties of funds to be received from the tracks.

Franklin, Hardee, Hamilton, Suwannee, Lafayette, Bay, Walton, Union, Okaloosa, Gilchrist, DeSoto and St. Lucie counties all passed measures concerned with the spending of racing money.

Panama City is getting a \$200,000 football stadium, under a special bill for Bay County, pledging \$10,000 annually of the county's pari-mutual tax receipts for principal and interest payments. In Okaloosa, \$12,000 has been earmarked for each of the next two years for construction of fences on Santa Rosa Island.

There will be a \$1,500 appropriation annually for the music department of the high school in Walton County for racing money. The legislature provided that the 10 per cent of the City of Trenton re- ceives from Gilchrist's share can be used for parks and sidewalks, as well as street paving.

Additional racing funds which will result from Gov. Dan McCarly's increased dog pari-mutual taxes have been earmarked in Lafayette County for 1953-1954 for the reconstruction of the "Old Drew Railroad Bridge" and the following year for the construction and maintenance of a Farmer's Market. DeSoto is going to use two-thirds of its increased share to pave the streets of Arcadia.

A "local bill" was passed for Hardee County specifying the first \$2,500 of the new tax returns for the Resthaven Old Folks Home, and the next \$2,500 for the Memorial Youth Center. Hamilton County pledged its increased racing funds for the construction of a new jail. In St. Lucie's County, the additional racing monies are to be used for a new courthouse or jail, or improvements of the existing structures.

Seining Program Revamped By Board

TALLAHASSEE — Immediate secession of its controversial seining program was announced by the Florida Game and Fresh Water Fish Commission after a hearing on the pros and cons.

The program had run for about three years and was supposed to prove, once and for all, whether limited seining would help or harm sports fishing.

Opponents of the program have contended since its inception that it destroyed more game fish than it preserved and was simply a device that permitted commercial fishermen to traffic in fresh water fish that otherwise would be kept off the market.

Must Cook Swill Before Feeding Hogs

MIAMI — Speaking before the convention of the Florida Dairy Association here last week, Dr. C. Paul Vickers, State Veterinarian, told dairymen that beginning August 15, all swill fed to hogs or other farm animals would have to be cooked in accordance with a new law passed by the legislature.

Among speakers addressing the dairy group was former Governor Fuller Warren. The association has actively supported the National Dairy Council's Dairy Month program and has worked closely with the Florida Milk Commission to advance the industry in Florida.

Friendship Night Observed By OES

Friendship was observed by the Pahokee Chapter, Order of Eastern Star, with a special program held at the Masonic Hall, with local Masons attending as guests. Joe Cherry of Belle Glade was guest speaker and Mrs. Iva Snyder was in charge of the program.

James W. Vann also gave a brief talk in tribute to Fathers. He was instructed by Mrs. Virginia Adams. Mrs. Hilda Wilson, worthy matron, gave the address of welcome to the guests and Wade Ammons, the response.

Following the program, refreshments were served by Mrs. Ruth Carpenter, assisted by Mrs. J. G. Weeks, Mrs. O. H. Sheppard and Mrs. Vance Denton.

Hurt - Hooks

Mr. and Mrs. R. F. Hurt of Pahokee are announcing the engagement of their daughter, Rita Faye to Stanley Lamar Hooks who is the son of Mr. and Mrs. D. L. Hooks of Canal Point. Miss Hurt graduated from Pahokee High School and attended Mather School of Nursing, Southern Baptist Hospital in New Orleans. Mr. Hooks also graduated from Pahokee High School and is a senior at Emory University where he is a member of the Kappa Alpha Fraternity. A September wedding is being planned.

MISSIONARY MEETING

The Pahokee First Baptist Woman's Missionary Society conducted their June meeting at the church Monday afternoon.

The Royal Service program was presented by members of the Nina Briggs Circle, with Mrs. Willie Kemp, program chairman, in charge. The program topic was "Christian Education in Christian Schools" as conducted by Southern Baptist Churches.

Plan To Choose New PTA Head

Mrs. Earl Maxson, vice president of the Canal Point Parent-Teacher Association, called a special meeting of the PTA executive board in the Community Park building to make arrangements for electing a new PTA president to fill the vacancy left by the resignation of the Rev. James R. Roy when he moved with his family to Miami the middle of June.

Mrs. Maxson named Mrs. P. A. Slomaker, Mrs. E. F. Hollon and Mrs. Cecelia Upthegrove on a nominating committee to recommend a new president who is to be elected at the next regular PTA meeting.

Flippy, the famed trained porpoise at Marine Studios, now has an understudy, Splashie, named by Lowell Thomas, that promises to become a star in his own right.

Changes Made In Criminal Court Jobs

A shift in personnel assignments in the county criminal court clerk's office was announced this week by J. Louis Carter, clerk. He said that Mrs. Marjorie Udsner will serve as chief clerk of the county court and Miss Janette Hilderager will be chief clerk of the criminal court. Miss Clyde (cq) Purvis, who has been serving as chief of both branches, has resigned her post effective July 1, Carter said.

Yearly income from the state's gasoline tax has jumped from \$836,000 to \$69,700,000 since the levy was first imposed here 32 years ago, reports the Florida Petroleum Industries Committee.

The management of Weeki Wachee Springs report the best summer business in the history of this popular West Coast resort.

From where I sit... by Joe Marsh

Bad Case of the "Ztutters"

Our copyboy is out sick. So the editor (me) is taking over some of his chores—which include running the addressing machine on "mailing-out night."

Last week I didn't have the usual number of papers left over for sale at the office. Couldn't figure what had happened—until Chub Zimmer called to ask why he'd gotten 56 copies.

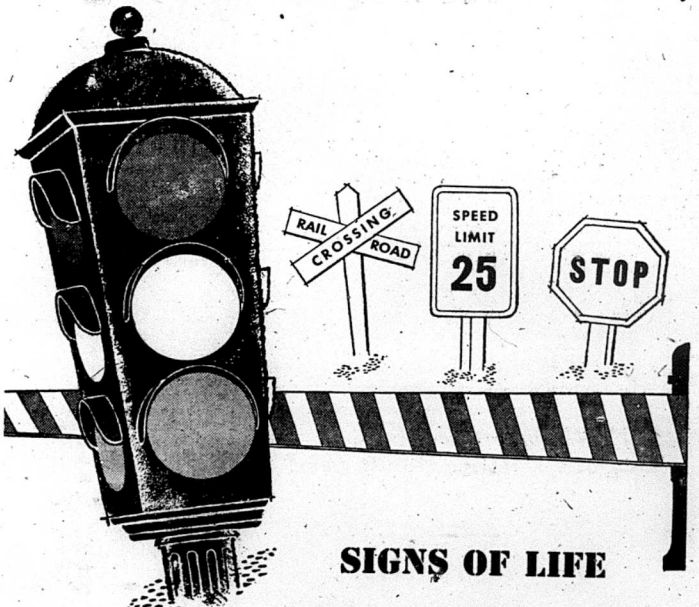

Then I realized—"Zimmer" is the last name the machine prints. Guess I forgot to turn it off... and it just kept grinding out Chub's name on all the remain-

ing copies. That machine just didn't know when to stop.

From where I sit, people are like that sometimes. They often don't know when to stop. Like those who are prejudiced against someone with an accent, perhaps... or against someone who likes a cool bottle of beer with his supper. So, in these columns I try to persuade everyone to "throw the switch" on prejudice so it won't get repeated.

Joe Marsh

SIGNS OF LIFE

These are signs of life—and the life they save may be your own. Despite all efforts toward safety through the years, traffic deaths still total 38,000 a year. A terrible toll, one that every person who drives can help reduce.

It's no accident that telephone employees who operate cars and trucks are careful drivers. They're constantly trained in safety. The Bell System's safety creed expresses it this way:

"No job is so important and no service is so urgent that we cannot take time to perform our work safely."

SOUTHERN BELL
TELEPHONE AND TELEGRAPH
COMPANY

A SAFE PLACE TO WORK . . . A GOOD PLACE TO WORK

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, strength is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

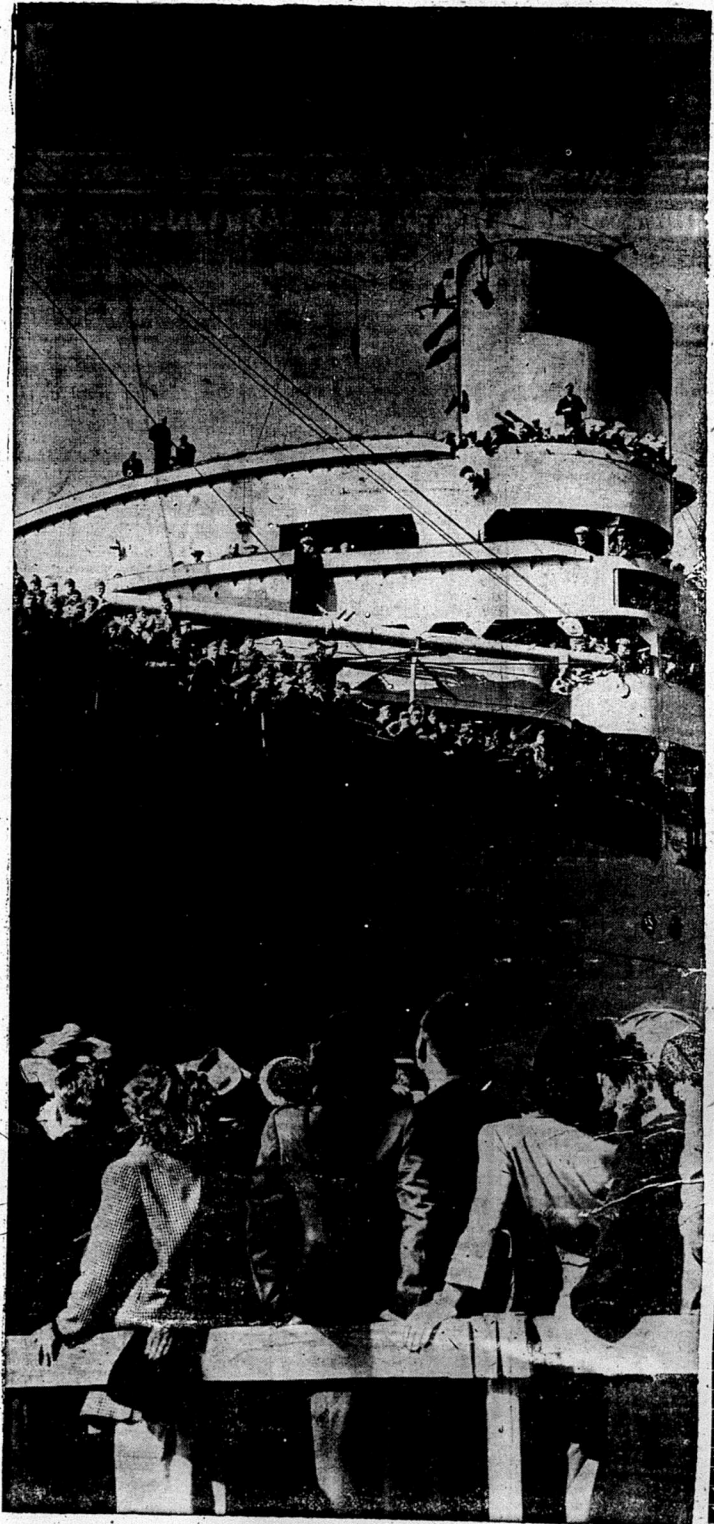

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

**Peace is for the strong...
Buy U.S. Defense Bonds now!**

IS THE JUNIOR CONSERVATION CLUB LEAGUE OF

WORKING OUT TO SATISFACTION? YES, FOR SUCH TANGIBLE RESULTS AS DECLINE OF DELINQUENCY, SPIRIT OF COMPETITION, UNITY IN WORKING TOGETHER, LEADERSHIP AND PARLIAMENTARY PROCEDURE, AMONG OTHERS, ARE EASILY RECOGNIZABLE. OTHER RESULTS CAN BE SEEN IN THE PLANTING OF FOOD AND COVER CROPS, ROUGHFISH CONTROL WORK, HYACINTH SPRAYING, AND TRAPPING OF QUAIL FOR RESTOCKING. ALL THESE SPELL BETTER CITIZENS AND BETTER SPORTSMEN.

Mr. and Mrs. O. C. Floyd of Canal Point left Wednesday to spend several weeks with relatives in Georgia.

State Industrial Expansion Is Seen

MIAMI BEACH — Predicting a bright industrial future for the South, C. O. Hoyer, chief engineer for the Chemstrand Corp., Decatur, Ala., told the convention of the American Society of Civil Engineers that a substantial increase in Southern income has provided the additional funds required to absorb the products resulting from industrial expansion within the area.

"An economic revolution is sweeping the Southland," he said, "making it the fastest growing industrial area in the country. Southern goods and products need no longer look somewhere else for their best market."

Harold Colee, executive vice president of the Florida State Chamber of Commerce, also speaking before the same group, said that summer tourists have leveled off Florida's economy on the high side.

In prewar years, he explained, seasonal highs and lows had gaps of as much as 25 per cent between them. This gap was reduced to only nine per cent last year.

Graw Resigns From Vegetable Ass'n.

ORLANDO — The resignation of LaMonte Graw, as executive vice president of the Florida Fruit and Vegetable Association, was announced this week by Dixon Pearce, Miami association president.

Dixon said the position of executive vice president would be abolished and duties of that office would be taken over by General Manager Joffre C. David. Graw's resignation becomes effective July 1.

DO YOU REMEMBER?

HAPPENINGS IN THE LAKE OKEECHOBEE REGION

25 YEARS AGO

The State Road Department contract with the R. C. Huffman Construction Company calls for the surfacing of the 17-mile section of the state road No. 25 between the Hendry county line and Belle Glade and there will be money enough to have the contract executed in full, Assistant Engineer Fergus told County Commissioner Sharp at West Palm Beach Friday.

Maintenance of county roads in the fifth commissioner district is still going on, although the program of work has been reduced by the closing of east coast banks in which road funds were deposited. Foreman McClure this week dragged the Torrey Island road and the north Chosen road. Grading of a road through the Lambert and Burk lands was halted by the breaking of a tractor part; the job will be finished when the tractor is repaired. A car of rock was received this week at Belle Glade for use in patching work, part of which is on the Bacom Point road.

The East Beach ball team won Sunday from the Brown Company team in a game played at the farm on Hillsboro canal. The game went to twelve innings.

Money returns from the upper Everglades' truck crops of the 1927-28 season, turned into the channels of trade, are an aid to the financing of building operations, and construction work is absorbing the labor of practically all persons who have not left for summer vacations.

The \$1,887,000 bond proposition for the East Coast navigation district was carried at the election held Tuesday. There was a majority for bonds in each of the 11 counties that make up the district. The money is to be used to buy right-of-way for the canal and the federal government is to make the canal navigable.

Patches of corn were still being planted in the upper Glades this week—this last week in June, later in the season than corn has been planted here for many years. While corn was being planted in a field between Pahokee and Belle Glade, close by there were fields in which corn was just coming up, and elsewhere in the same territory there are hundreds of acres of corn that will be ready for harvest in less than a month.

Creation of a dairy center at Belle Glade and establishing of a live stock industry as part of a plan for the advancement of general farming in the district is being sought through a series of meetings held at Belle Glade under the auspices of the Farmers Cooperative Association.

Construction by West Palm Beach Water Company and Everglades drainage district of two large canals with necessary dams, spillways and other means for controlling and regulating water levels, the expense to be borne by the water company and Everglades drainage district is proposed in a resolution offered to the city commission of West Palm Beach as a solution of differences between the city and the company and to insure a dependable water supply.

Belle Glade—That Belle Glade has a park is made manifest by the placing of a fence around the tract on the canal bank. The fence defines the location of the streets and the public property.

M. C. Eggleston, C. E. Riedel and Miss Alice Reed, inspectors, and G. I. Evans, clerk, were the officers of election at the ballotting place Tuesday.

Mr. and Mrs. F. T. Stallings have gone to Georgia. It is hoped that their trip is merely a vacation and that they will be back in the fall.

The American Legion post will give a dance at the pavilion Friday evening. Music will be furnished by the orchestra from the Brown farm.

Rock from the bank of St. Lucie canal is being barged to Canal Point and unloaded at the lock. The rock to be used to make a fill behind a bulkhead and replace the rotten timbers of the old dock. A narrower walk will be put in on the fill. Planking is being laid on the top of the movable dam at the spillway, so persons who have need to cross the spillway can do so.

Prof. H. L. Speer, principal of the Canal Point school, is clearing space for the addition that is to be made to the school building. The addition will front east, on the Pahokee road.

The following new members were accepted in membership in the Pahokee Woman's Club at the meeting held Monday, June 25: Mrs. George C. McLarty, Mrs. Doyle Crocker, Miss Gladys Dowda, Mrs. Fay Atwell and Mrs. Ruth Inlow. A regular business meeting will be held at the club house next Monday, July 2, at which time definite plans will be made for a dinner dance to be given in the near future. The club is also planning a series of afternoon card parties, beginning at an early date.

The county Democratic committee has endorsed J. R. York of Pahokee and DeWitt Upthegrove of Canal Point for appointment as justice of the peace and constable

in the district in which these towns are located.

Paul Tedder and Floyd Erickson are at Gainesville attending the University of Florida summer school.

James M. Taylor of Lakeland has accepted a position with Mr. Brooker as auditor for the Pahokee Lumber Company, which has established a yard a few hundred feet south of the F. E. C. station, near the packing houses.

Roy Batchelor has returned from a visit to relatives at Colquitt, Ga. He says crops are late there because of rains but everybody is eating well and regularly.

A barber shop has been opened in the pool hall. It is owned by a Mr. Whitcomb of Plant City. The barber is J. M. Starling, formerly of Lakeland.

Okeelanta—The bunch of baby alligators, corralled by W. Norton in his barge on the Franz place, stampeded for the canal one day during the week; however, their captor rounded them up without the loss of any.

L. T. Creech, Sr., who farmed on Ritta Island in the season just passed, is living at Lake Worth until the next cropping season comes on.

Specials Saturday, June 30—Farmers Supply Company—10 lbs. Sugar, 65c; 10 lbs. Rice, 65c; 10 lbs. Dry Salt Bacon, \$1.15; 8 lb. Bucket Pure Lard, \$1.20; Navy Beans, per lb., 5c.

Lake Right-Of-Way To Supreme Court

ST. CLOUD—Members of the St. Cloud Sportsmen's Club say they are determined to take the club's fight to obtain right-of-way to a pair of Osceola County lakes to the Supreme Court. They also state that the decision of the Supreme Court will be of tremendous importance to sportsmen throughout the state.

The County of Osceola recently lost its suit against the Aluminum Irrigation Company to obtain right-of-way to two lakes which are encompassed by the company's land in northeastern Osceola County.

The county contended that the lakes had been accessible to the public since "time immemorial" for fishing and boating purposes until the irrigation company purchased them in 1950 and fenced them off. The county had asked for permission to construct a road through the company's property to the edge of the lakes for the use of the public.

The presiding judge, however, said, "A lake or pond which is entirely within the boundaries of a single tract of land belongs to the owner of such land."

The Salvation Army, established in the United States in 1890, has about 1,380 corps and outposts and more than 5,000 officers on its staff.

A report in Florida Grower Magazine says that citrus trees in Florida approximate 29,500,000 plus 70,800 acres of non-bearing trees. Orange trees total 20,900,000, grapefruit 6,800,000 and tangerines total 1,500,000. Limes make up the balance.

NOTICE UNDER FICTITIOUS NAME LAW
TO WHOM IT MAY CONCERN:
Notice is hereby given that the undersigned, pursuant to the undersigned Name Statute, House Bill No. 1175 Chapter No. 2953, Laws of Florida 1941, and House Bill 1102, Chapter 36, 760, 1951, amending 865.09(3), will register with the Clerk of the Circuit Court, in and for Palm Beach County, Florida, upon receipt of proof of the undersigned, pursuant to the "Fictitious Name Statute," STANFORD SELL SERVICE under which I am engaged in business at Canal Point, Florida, in the County of Palm Beach, State of Florida.
That the party interested in said business enterprise is John B. Stanford, Canal Point, Florida.

Christian Science Group Of Canal Point

God's great goodness is the theme of the Lesson-Sermon to be read in all Christian Science churches next Sunday. The subject is "GOD".

The Golden Text is from I Kings (8:23): "Lord God of Israel, there is no God like thee, in heaven above, or on earth beneath, who keepest covenant and mercy with thy servants that walk before thee with all their heart."

Bible passages include: "Oh how great is thy goodness, which thou hast laid up for them that fear thee; which thou hast wrought for them that trust in thee before the sons of men!" (Psalms 31:19).

Correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "In the Saxon and twenty other tongues good is the term for God. The Scriptures declare all that He made to be good, like Himself, — good in Principle and in Idea" (p. 286).

Bishop Louttit Is Honored In Glades

The Rt. Rev. Henry Louttit, D. D., bishop of the diocese of South Florida Episcopal Churches, paid an official visit to Episcopal Churches of the Glades area last weekend.

Saturday evening at 8 o'clock members of the Pahokee Church of the Holy Nativity honored their bishop at a covered-dish supper and fellowship gathering in the Community Park building at Canal Point.

Sunday at 9 a. m. the bishop administered the Sacrament of Confirmation and celebrated Holy Communion at the Church of the Holy Nativity.

Also present was the Rev. Marion Wendell Hainlin, newly appointed vicar of the Church of the Holy Nativity in Pahokee and the Church of Our Savior in Okeechobee, who was ordained to the diaconate in Holy Cross Church, Miami, his home parish, June 21. He assumed charge of the Pahokee and Okeechobee Churches on July 1.

Following the service at the Pahokee church, Bishop Louttit went to St. Martin's Church in Clewiston to administer the Sacrament of Confirmation and dedicate a new bell presented to the church by the Atlantic Coast Line Railroad. Later he was guest of honor at a dinner in the Clewiston Inn.

Directors of the Florida Magazine Publishers Association met last week at Sam Pickard's Paradise Point, Crystal River, as guests of the management.

Young People Will Attend Assembly

Several local young people left Tuesday to attend the East Coast Baptist Assembly in Stuart, June 30-July 8.

In the group were Joyce Lindsay, Sandra Long, Rose Marie Henderson, Gaye Schoepel, Jeanine Mock, Rupert Mock, Jr., Neely Johnson, H. L. Burnett, Jan Bernhardt, Annette McIntosh, Elaine Weeks, Betty Raineri, Carolyn Crosby, Carol Ann Mullis, Sylvia Fallaw, Sandra Adams and Lynette Hammond.

The young people were accompanied by the Rev. W. Hal Hunter who is serving as morning watch speaker at the Assembly.

HOME FROM RIDGECREST

Members of the Pahokee First Baptist Church who returned home the past week after attending the Baptist Sunday School Conference at the Ridgcrest Camp in North Carolina were Mr. and Mrs. Wiley Tillis, Mrs. Mildred Schoepel and daughter, Gaye, Jeanine Mock, Carol Jo Guthrie, Mrs. Ellsworth Keen, the Rev. and Mrs. W. Hal Hunter and Miss Pat Clark, the new music-educational director at the church.

Leon Spooner attended an International Harvester show in Chicago, Ill., the past week.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile. . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.75% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$100,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.75% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.75% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

**NOW EVEN BETTER!
INVEST MORE IN DEFENSE BONDS!**
